Dear A. J.:

I would like to take this opportunity to thank you for the beautiful plant delivered to the administration office on Friday, March 23, in honor of our Dedication Ceremony. We displayed the plant on the stage during the ceremony and it added the perfect touch to the area where the American flag was standing.

We received many wonderful comments about the Dedication Ceremony. In addition, individuals from the community, as well as students and staff, were more than impressed with the building. There were comments such as magnificent - splendid - awesome - just to name a few. To say that everyone was thrilled with the buildings is certainly an understatement.

I want to thank you and your workers for doing a fine job on this project. It will serve the students of this district for many years to come.

Sincerely,

Marsha L. Zehner, Ed.D.  
Superintendent
