Subject: Nelson Township Authority
Water Treatment Facility
Contract 1 – General/Mechanical/Plumbing
benesch Project No. 8666.04.C1.2

Dear Mr. Eichelberger:

We would like to take a moment to congratulate you and your company for a job well done in regards to the construction at the Nelson Township Authority Water Treatment Facility in Tioga County. It was a pleasure working with Mr. Dennis Mattison as Superintendent and Mr. Daniel Long as Project Manager from your Cogan Station office. They both were very knowledgeable in their required tasks which they performed, allowing the construction process go quite smoothly.

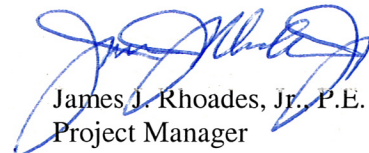

The treatment plant has been online since early February and is functioning very well. The successful operational performance is a tribute to the care which was taken during the construction process by your company. We look forward to working with your company again on other projects in the future.

Very truly yours,

alfred benesch & company

Michael J. Peleschak, P.E.
Project Engineer

James J. Rhoades, Jr., P.E.
