We are pleased to enclose a reprint of the 2009 ENR Top 400 Contractors list. It highlights your organization, as well as others for whom we are the sole or co-surety provider.

Being recognized as a leader in the backbone industry of the U.S. economy is an honor to you and your team. At Chubb Surety, we are proud of your recognition, as well as the relationship we have built with your firm. Congratulations and continued success in the future.

Sincerely,
