Dear Mr. Eichelberger:

I would like to thank you for the excellent job that your company recently completed for the Peacekeeping and Stability Operations Institute office space project in Collins Hall.

Mr. Chuck Hoffman, the installer, should be commended for his work. The quality of the installation was outstanding. Mr. Hoffman frequently made suggestions to complete the work more efficiently and came up with unique solutions to accommodate unforeseen circumstances. His ingenuity and diligence saved the project from delays and helped avoid increased costs. Mr. Hoffman always displays a high concern for craftsmanship and quality in all the work he does for us.

The professionalism and dedication that he displayed were instrumental in completing the project in the limited time period available. Please extend my sincere thanks and appreciation to Mr. Hoffman.

Sincerely,
