Dear Mr. Eichelberger,

I just wanted to write you and let you know that I was very pleased that your company assigned Mr. Prysak to work on closing out this project over the summer. Robert is a very capable individual and also represented your firm positively on a professional level. It seemed at times he had trouble getting the answers requested by myself or my organization, but after given the phone numbers he needed, placed the calls and got the answers expediently. Robert stayed on task and was always ready for me to review completed work to sign off on.

I wanted to let you know personally because I know sometimes it is nice to hear from the outside world how your staff is representing you business.

Thank You,

John T. Rook
