Re: Mr. Jeff Cornmon

Dear Sirs,

This letter shall serve as reflection of my sincere appreciation for the dedication and commitment to the Lebanon County Correctional Facility project, which has been demonstrated by Mr. Cornmon on a daily basis since commencing on June 1, 2005. Although my requests have been demanding at times, Jeff has always been willing to accommodate and serve the facilities interests for the benefit of all parties. I couldn't let another day past without specifically recognizing Jeff, concerning said commitment and his conscientiousness in workmanship.

Lobar Inc. can be extremely proud of Jeff's commitment to the company and the reputation he is willing to establish with customers on behalf of the company. Again, a well deserved thank you to Lobar Inc. and Jeff for a job well done!
