Doug,

Please pass on to Rich Eichelberger and the Management at Lobar: The 4th Marine Corps Recruiting District Headquarters sincerely appreciates all the great work Ralph and his crew are doing. Phase 2 is complete and the new tenants are extremely happy with the quality of the new workspace. As you know, I've worked closely with Ralph. He has proven time and time again that what he says he means - AND when he says he'll have a project done on time - he delivers. As a Marine leader - I have a great deal of admiration for leadership and those in a position of authority who have the proven ability to lead. More importantly, I also know the value of a leader who can quickly build a team and get the team to accomplish difficult tasks.

Ralph is that type of leader. I've enjoyed working with Ralph and look forward to finishing this project in April with him. Have a Merry Christmas!

Semper Fi,
Maj Lovell
Logistics Officer
4th Marine Corps Recruiting District
