Dear Rich:

Thank you for your most generous contribution to the Roger & Peggy Madigan Library. I also want to personally thank you for your recognition of Bill Martin . . . he is a star in our world and truly invests his heart and soul in every construction project. Lobar as a company and your employees as individuals distinguished themselves on this project. Throughout the entire construction period, the job site was clean, workers prompt, friendly and professional. Rich Parker tended to the building as if it was his home.

We are thrilled with the outcome and with the performance of Lobar. I have to say both the College and your Company made a very positive impression on the DGS Secretary and staff.

Thank you again for your generous gift but perhaps most importantly for joining us in creating a masterpiece on our campus.

Sincerely,

A handwritten signature in blue ink that reads "Davie". The signature is fluid and cursive.
