Attention: Mr. J Richard Ayers, Jr. , Small Business Liaison Officer

Dear Mr. Ayers,

On August 10, 2005, I completed a Program Compliance Review of Lobar Inc. pursuant to Section 8(d) of the Small Business Act.

Enclosed please find a copy of my recommendations, which is essentially identical to the findings we discussed during the exit briefing on August 15, 2003. The evaluation rating of your firm's overall Small Business Program is **HIGHLY SUCCESSFUL** for this review.

I would like to commend Mr. David Myers, and yourself for the courtesy and cooperation which you extended to me during my visit for this review and also for all the hard work in preparation. I would also like to thank you for your consideration in allowing SBA to do training with our DOT personal, Mr. Jerry Franco who assisted me during the review. In addition, I want to thank you for providing the quality of leadership which encourages such a spirit of cooperation with the Government.

Thank you again for your interest in the Small Business Program.

Sincerely,

Terry L. Budge
