Dear Mr. Eichelberger:

My husband and I had the privilege of attending the dinner and tour at the Lititz Elementary School last evening. We wanted to express our thanks and appreciation to Lobar for hosting this event, and to you, personally, for all your kind remarks, from offering the invocation to the conclusion. You are a true gentleman.

We are proud of the new Lititz Elementary School project, and know that without the skills and craftsmanship of many, it would not have turned out as beautifully as it has. Thanks to you and your team of professionals who made this possible for our community to enjoy for many years to come.

Again, we were honored to be your guest. Best wishes to you and yours for a wonderful holiday and new year.

Sincerely,
