Dear Mr. Myers,

Thank you for your presentation at the second *Pennsylvania 7<sup>th</sup> Congressional District Business Procurement Summit*. Your participation was a significant contribution to the success of this important event.

I have received overwhelmingly positive feedback on the event, in large part due to the expertise and professionalism you brought to the panel. The breadth and depth of your presentation was precisely what the attendees were looking for.

Again, your participation at an event that helped bring transparency and understanding of the American Recovery and Reinvestment Act as well as government procurement is greatly appreciated. I look forward to working with you again at the 2010 *Pennsylvania 7<sup>th</sup> Congressional District Business Procurement Summit*.

Sincerely,

Joe Sestak  
Member of Congress
